## INTERNATIONAL SUMMER CAMPS FOR YOUNG PEOPLE WITH DISABILITIES

ORGANIZED BY THE SOVEREIGN ORDER OF MALTA AND ITS NATIONAL ASSOCIATIONS

### FUNDRAISING FOR PARTICIPATION IN TWO CAMPS NAVARRA, SPAIN - August 3 - 10, 2026, and AUSTRIA - 2027

#### WHAT DOES THE INTERNATIONAL SUMMER CAMP MEAN FOR YOUTH WITH DISABILITIES?

Since 1983, members of the Order of Malta have hosted participants of their International Summer Camp in a different country each year. More than 500 young people of similar age meet from all over the world. Some of the participants are young people with various disabilities, along with volunteer helpers with whom they live together for one week. We offer these young people a week-long, rich program with various activities, workshops, and experiences. **For young people with disabilities, the camp is more than just a little break from their usual daily routine: it gives them the opportunity to see the world and be inspired by it.**

#### THE CAMP'S PURPOSE

**Our goal is to break down prejudices about people with disabilities.** The participants, their helpers and staff are all between 18 and 35 years old, making it easy to form friendships, organize the most suitable events and activities, develop various abilities, and ensure everyone has a good time together. We want to create a vacation that participants will never forget.

#### THE HUNGARIAN PARTICIPANTS

On behalf of the Hungarian Association of the Order of Malta, ten Hungarian young people with mobility disabilities and their companions from around the country will travel to both camps, where they will enjoy a week-long carefree vacation. During this time, the parents or other caregiving family members of these young people with disabilities are also relieved from the burdens of year-round care.
